## LOCATION AND ACCESS

Hamilton Island is perfectly located just off the Queensland coast of Australia and at the edge of the Great Barrier Reef. Of the 74 Whitsunday Islands, it is the largest inhabited island, positioned approximately 887km north of Brisbane and 512km south of Cairns (by air).

The only island in the Great Barrier Reef with its own commercial jet airport, access to Hamilton Island (airport code: HTI) is easy with short, direct flights from Sydney, Melbourne, Brisbane and Cairns and good connections from other Australian cities. There are also quick 30-minute direct boat transfers from Shute Harbour on the mainland.

Fantasea Reefworld  
Approx 1.5 hrs from Hamilton Island by boat

Heart Reef
