AFTERNOON WORKSHOP SESSIONS

1.30pm – 5.00pm

RAW processing, file management and print techniques with Bruce

An efficient workflow will allow you to get the most out of your photography.

The creative process by Peter

It's great to know lots of different camera and editing techniques, but what do you do with them? You need to think about your creative approach – and here's how!

Using Nik Software by David

Photoshop isn't for everyone, but Nik's plug-ins make it easy to explore the creative potential in your images with an easy to use interface.

Dinner - own arrangements

Thursday 25 June

Breakfast at leisure

MORNING WORKSHOP SESSION

9.00am – 12.00pm

Hamilton Island Yacht Club

30min Heli Flight over Whitehaven Beach

Time slots to be advised on island.

Aerial photography of Whitehaven Beach, Tongue Point and Tongue Bay with views of Hill Inlet.
