

DAMAGE WAIVER

Acceptance of the Damage Waiver removes financial liability for accidental or non negligent related damages to all registered drivers (conditions apply).

The waiver DOES NOT apply to damage caused by the driver to third party property or third party injury.

The damage waiver will be deemed void if the driver is found to have been in breach of the Hamilton Island rules and regulations, Queensland road rules or have been deemed to have acted in a negligent manner.

In the case of an incident resulting in damage, if the Damage Waiver is deemed void the registered driver will be held liable for the full cost of repairs to the buggy.

All incidents and or accidents are to be reported using the phone numbers attached to the buggy key tag. Failure to report an incident/accident will result in the damage waiver being void.

This damage waiver excludes Hamilton Island Holiday Homes owner buggies.

CHILD SEATS/CAPSULES

Queensland legislation states that all children under the age of 6 months are to be seated in a baby capsule facing towards the seat it is mounted to. A child 6 months to 4 years is to be in a child seat facing the same direction as the seat it is mounted to. This is subject to the amount of engineer approved restraint mounting points the buggy comes equipped with. The seats will be fitted by trained staff and should remain secured to the buggy for the duration of the rental. Securing and adjustment of straps in the capsule to fit the child is the responsibility of the parent or guardian (hirer).

IMPORTANT SAFETY NOTICE

The hirer is responsible to recheck capsule anchorage points and adjust straps securing the capsule to the seat each time the child is placed in the capsule restraint. Capsule covers cannot be used when the child is positioned in the capsule.

BUGGY RELOCATION

A non refundable fee of \$10 is applicable to every buggy that is hired at one location and returned to a different buggy hire managed outlet. Buggy relocation is not available to Hamilton Island Holiday Homes guests.

AGREEMENT OF HIRE

I understand and agree to the conditions of hire and buggy operating rules and regulations described above and am aware a golf buggy is a conditionally registered vehicle subject to all Queensland road rules, bylaws and regulation.

I have watched the safety demonstration and agree to all points therein including the penalties for contravening QLD traffic laws as outlined.
