CLASS DESCRIPTIONS

Booty Burner	This 30-minute blast is designed to set your glutes on fire! Using a combination of resistance bands, sliders, and light weights, this high-energy class will tone, sculpt, and leave your booty feeling the burn like never before.
Boxing	Punch your way to fitness in this high-intensity cardio workout. Learn proper boxing techniques while performing conditioning drills that boost your cardiovascular fitness, agility, and overall strength.
Circuit	Jump from station to station in this dynamic full-body workout. Each exercise targets different muscle groups, blending strength and cardio for a high-intensity, energizing session. Perfect for those who love variety and challenge!
Core Crush	Short, sweet and intense. Your journey to a stronger core starts here. In this 30-minute class, you'll focus on strengthening your abs, back, and obliques with thoughtful, low-impact exercises. Each movement is designed to tone and stabilise your midsection, helping you feel balanced, strong, and supported from the inside out. Perfect for all fitness levels.
Foam Roller	Unwind and rejuvenate with our Foam Roller Class, a perfect blend of self-massage, myofascial release, and gentle stretching. This class caters to all fitness levels and anyone looking to alleviate muscle tension.
HIIT (High-Intensity Interval Training)	Experience the ultimate calorie burn with HIIT! Short, explosive bursts of exercise followed by quick recovery periods make this a full-body workout that gets your heart pumping and your endurance skyrocketing
Les Mills Body Pump	Dive into a full-body strength workout! Using light to moderate weights and high repetitions, this class is designed to tone and shape your entire body. You'll work all major muscle groups and improve bone health, all while enjoying motivating music and virtual coaching.
Les Mills RPM	Gear up for an exhilarating indoor cycling experience! This high-energy class simulates hill climbs, sprints, and flat riding, all set to great music. You control your own resistance levels and speed, making it a fun, low-impact workout that boosts your aerobic fitness and burns up to 500 calories per session led by virtual instructors.
Pilates	Centre yourself with Pilates, a class that emphasizes core strength, flexibility, and overall body alignment. Controlled movements and breathing techniques improve muscle tone and balance, leaving you feeling strong and refreshed.
S&C	Beginning with targeted strength training to build power and perfect your technique, then dive into a high-energy conditioning segment to boost endurance, burn calories and push your limits. This class will help you feel stronger and achieve peak performance through functional, well-rounded training
Step	Step into a high-energy cardio party! This class uses a raised platform for choreographed routines that boost your cardiovascular fitness and coordination. Plus, it incorporates lower body muscle conditioning to keep you strong and fit.
Strength	Time to lift heavy and push your limits! This class focuses on building muscle through weightlifting and resistance exercises, using dumbbells, barbells, and

	resistance bands. With little to no cardio, it's all about gaining strength in a controlled, supportive environment
Tone and Tighten	Get ready to sculpt and define with this low-impact class that combines bodyweight moves and hand weights to tone your muscles and tighten your core. Each session targets three specific areas, this class is guaranteed to leave you with a satisfying ache and a sense of accomplishment.
Yoga	Find your Zen with Yoga, a mind-body workout that combines physical postures, breathing exercises, and meditation. Whether you're looking to improve flexibility, build strength, or relax and clear your mind, there's a style of yoga for you.
