Divers must fill out a medical questionnaire to ensure general fitness. All divers over 55 years of age will require a medical certificate stating they are fit to dive; this must be completed before they leave for the cruise. Minimum age for scuba diving is 14 years.

Windy Weather Cruise:

When cruising to the Outer Reef the strength of the wind plays a large factor in the quality of the experience. For guests comfort we know wind strength should be under approx 20knots (35km per hour) to visit the Outer Reef.

In the Whitsundays, we are fortunate to have Islands offering protected cruising areas, along with Fringing Reef for snorkelling. On windy days, we change our cruise to within the islands, visiting two separate dive/snorkel sites as well as a stopover at world famous Whitehaven Beach as a bonus.
