

THE SUNDAYS – BOUTIQUE

Nestled amongst the palms at the northern end of Catseye Beach, The Sundays captures the essence of Hamilton Island's tropical surroundings. Designed by the team behind the iconic qualia, and created with families in mind, every detail of The Sundays is curated to help you kick back a little further, pull your loved ones a little closer, and make the most of every minute. It's a place where warm oceans meet chilled brunches, and Monday never arrives.
