### Why is it so important to advise my arrival details?

Arrival details are essential for Beach Club and Reef View Hotel Suite guests to ensure that VIP transfers can be provided. Check-in is not guaranteed until 2.00pm however, we will endeavour to have your room ready for your arrival. Having arrival details noted in your booking makes this easier for us to do so. We also suggest you pre-pack your bathers or a change of clothes into your hand luggage so that you can do some exploring whilst your accommodation is being prepared for you.

### Do you get stingers on Hamilton Island?

Irukandji, a small and transparent jellyfish, can be present in the waters of the Whitsunday Islands, predominantly during the summer months. We recommend that guests avoid swimming in secluded beaches. If you choose to swim in the ocean, we recommend you wear a stinger suit (which can be purchased from the Beach Sports hut) and swim in the presence of others so assistance can be given if needed. We would strongly advise that small children and guests who are pregnant, have a heart or pre-existing medical condition, only swim in our pools.
