

Drive to HAMILTON ISLAND

9 day suggested coastal drive
itinerary from Brisbane
to Hamilton Island

If you are keen to escape and have a few more days than usual up your sleeve, our team have researched a great self-drive route to Hamilton Island. Avoid the airports and take the scenic route!

This suggested round trip from Brisbane gives you the chance to see some of Queensland's most beautiful coastal sites. The drive is broken up into 9 leisurely days with 4 stopovers at Town of 1770, Yeppoon, Hamilton Island and Rockhampton.

If this is going to be a family trip, why not make it a Mystery Tour for the kids. You can create an itinerary that shows them times of departure and arrival and you can drop clues about things they might see and experience on the way. It will make the long drive much more fun for them (and you!).
